2026 Programming Overview

Conference Format & Logistics

- Three Day Conference for Pre-school-Higher Education Educators
- Clock hours available
- Two days hosted at the Muckleshoot Casino Resort and one day of place-based field trips

Curriculum & Pedagogy

- John McCoy (lulilaš) Since Time Immemorial Curriculum
- Learn how to start Indigenizing your classroom, buildings, curriculum, and cultivating relationships in Tribal communities
- Best Practices in Native Education including working with Native students with Disabilities

Place-Based & Experiential Learning

- Experience learning from Muckleshoot Tribal Members about History, Culture, and Language
- Experiences field trips to locations such as Tomanamus Forest; this visit highlights Traditional Ecological Knowledge (TEK), Place-Based Education, and more on Day 3

Partnerships & Professional Learning

- Learn more about Government-to-Government Partnerships and partnership best practices
- Learn from individuals with expertise in specific areas related to Native Tribes and peoples, including but not limited to:
 - Natural Resources
 - Native Culture & Native History
 - Fishing & Language
 - Writing & Reading
 - Health & Wellness
 - Technology & Economics

Cultural Engagement & Creative Learning

- Participate in hands-on Cultural Art Activities
- Discover Native Books by Native/Indigenous Authors for Pre-School to grade 12, and Adult & Higher Education

Community & Celebration

- Share a meal highlighting traditional foods
- Be inspired by Native Musicians

And much more!
